**AMENDMENT**

S I R:

In response to the Office Action mailed on June 8, 1998, a request for a one-month extension of time having been filed concurrently herewith, extending the response period to October 8, 1998, the Applicants submit the following amendments and remarks.

**IN THE CLAIMS:**

Please amend the claims as follows.

**Claim 1: (Amended)**

In a communication system comprising a first over the air network and a second over the air network wherein a mobile station is capable of being coupled to either one of the first and second networks, a method for notifying the mobile station of a communication on one of the first and second a networks to which the station is not presently coupled, the method comprising the steps of:

storing an address for the mobile station camped on [as it is coupled to] one of said first and second over the air networks;

A
